My dear Dr Q Hejderup,

Assalamo Alaikum:

Thank you very much for your letter of lst Nov 87 with a map, figures about the distances between places,and pointing out the situation of your estate in relation to Gothenburg and Stockholm. It is so very nice of you, Jazakumullah. I quite understand your predicament and I always pray for you. You have rendered many meritorious services to the Jama'at but most important of all is your translation of the Holy Quran. It is by sheer grace of Allah. May Allah grant you strength, courage and ability to continue to strive in His cause evermore. May Allah grace you with His choicest blessings.

Wassalam,

Yours sincerely,

MIRZA TAHIR AHMAD
