بسم الله الرحمن الرحيم

السلام عليكم

MEMBER INFORMATION 1, 1974.

Lajna Ima'Allah, Frankfurt, West Germany.

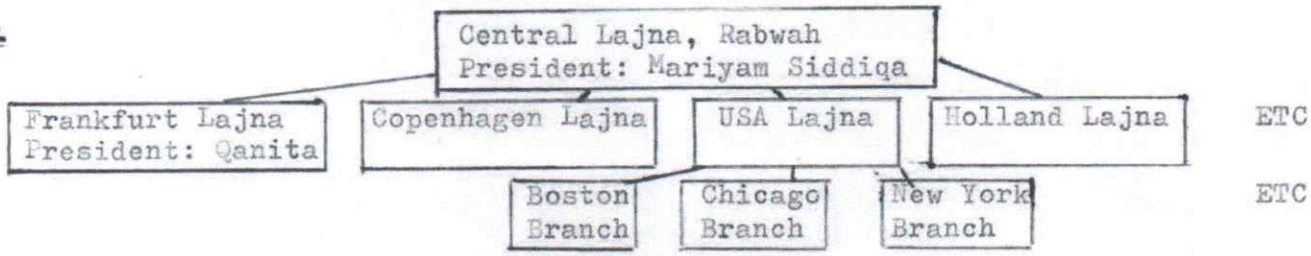
Start of Lajna

The Frankfurt Lajna was started the 6 october 1973 when Imam Fazl Ilahi Anweri had called the ladies for election. Qanita (Begum Abdur-Rauf) was elected the President and Hidayet Begum (Begum Hidayatullah) the Secretary General. The result of the election was sent to the Center in Rabwah and in a letter Mariyam Siddiqa, the President for all Lajnas all over the world, has approved in these office-bearers.

Who are they?

Qanita is a Swedish Ahmadi lady, who has been the President of the Lajna of Denmark before comming to Germany. Hidayet Begum is an Ahmadi lady from Maurutius, where she has been the President of the Lajna.

Organisation



Frankfurt Lajna

In Germany there are now 14 Ahmadi ladies all together (from Germany, Ghana, Pakistan, Egypt, Indonesia, Sweden and Mauritius) living in different places all over Germany, and all of them are automatically members of the Frankfurt Lajna, which is the central body for Germany. I hope that the Lajna will grow rapidly, so that there will be several branch Lajnas in various places very soon!

Jalsa Salana - Annual Gathering

The Frankfurt Lajna was represented at the Annual Gathering in December 1973 in Rabwah in Pakistan, by the President Qanita. Lajnas are already existing and working in Denmark, Holland, England etc., and Mariyam Siddiqa expressed her happiness about that a Lajna now has been started in Germany too.

Meetings

Lajna meetings are held in Nur Moschee, Babenhäuser Landstrasse 25, 6 Frankfurt/M., the first Saturday in every month at 17.30. All members are welcome! For ladies living too far away to come to the meetings, I hope to send written informations regularly.

Study

A study program will be carried out on the Lajna meetings and members who do not attend the meetings are requested to carry out the study on their own in their homes.

You are most welcome to phone or write any time to tell your opinions, ideas and suggestions!
