Dear Dr. Qanita,

Assalamo Alaikum wa rahmatullah wa barakatuhu!

I am pleased to receive your letter of 29th April 1988 and am glad to note that the Swedish translation of the Holy Qur'an is ready for printing. Alhamdolillah!

You have contributed enormously towards the compeltion of this project, and I pray that Allah reward you abundantly for your devotion and commitment.

As for the wonderful fragrant smell filling your house after completion of this grand assignment, there was no doubt a physical explanation for it but in reality it was a message of appreciation of your work.

Allah bless you and keep you in good health.

Wassalam

Yours sincerely

M Tahmad
